3-STAGE SHARPENING TOOL: Tungsten carbide blades for quick edge setting; Ceramic blades for fine honing; Special tungsten carbide blade for scissors grinding. 3 parts to meet all your sharpening needs.

STRONG SUCTION BASE: The suction force of this product is twice that of other similar products. This increases your safety during the sharpening process.

EASY TO USE: You just need to put it on a smooth desktop and press the black switch. It will suck very strongly on the table. Then you can start to sharpen the knife. You don't need to hold it with your hands. So your hand is very safe.

SMALL SIZE: You can even hold it with one hand. This small size allows you to
