Description

**Product Introduction:**

Designed with adjustable headband, snug pads and cushioned earpads without any sharp corners to give your kids comfortable wearing without harm to kid's ears. Lightweight so it is easy to carry.

Designed with food-grade material and tangle-free cords, twistable, bendable, stretchable to withstand children's tears. 1.2M cord length with 3.5mm gold plug provide your kids more room to play.

Perfect size and fit for children - These headphones are lightweight and feature soft, comfortable earpads. Recommended for children ages 3-15. The marked spot on the headband makes it easy for child to recognize the L or R earmuff. Professional toning technique ensures high quality stereo effect. Terrific present for children who enjoy music, playing games or watching TV and films.

With the standard 3.5mm headphone jack, YAMO DUDO kids headphone works with all smartphones, tablets, Cellphones, DVD player, Tablets and more.

All-day Comfort: Oval, cooling gel-infused cushions that prevent overheating and pressure build-up

In-line Audio Controls: A built-in an analog volume control wheel and mic mute switch

Lightweight & Durable: Made of bauxite, aluminum, the frame is flexible and designed to last
