## Description

### Product Introduction:

**【SMALL BUT POWERFUL】** Each of our mini handheld fans is fitted with a premium rechargeable battery cell that lasts up to 15 hours on the lowest speed setting. Its highest setting reaches 600 RPM for up to 6 hours, the strong airflow to keep you cool the whole day. Three times longer battery life than the average ones.

**【SLEEK & FUNCTIONAL】** Thanks to the latest detachable strap and foldable design, you can go from a mini portable fan to a small USB desk fan or a hands-free hanging neck fan in one second. This rechargeable mini fan features a gorgeous, removable gold-plated front cover for easy cleaning. When dirt builds up, you can simply remove it to wash and dry before placing it back.

**【Quickly Cool You Down in Hot Summer】** The BabyExo handheld personal fan support 3 powerful and cooling wind for you to quickly save you from hot airflow; Made of a high-quality copper brushless motor, this fan produces smoother and quieter wind.

**【Portable Fan for Travel】** This small handheld fan can be foldable from 0°to 180°, that's why it's easy to put this small travel fan into your bag but only take a small space. Also, this vacation fan can be folded and placed on your office desk.

**【A VERSATILE& WEARABLE DESIGN】** Our portable personal cooling fan is great for indoor and outdoor use. Set it on your desk at work, take it on summer travels, or use it to keep the baby cool as they nap!
