# About this item

- Subvert traditional sunshade, roadgive sunshade umbrella is a new way blocking 99% of the sun's harmful UV rays to keep your car in cool and comfortable condition in hot summer days.
- Just simply open it and expand to fit against front window, then put the sun visors down to keep it in place. That's all you need to do. When not in use, you can fold it back to storage pouch in seconds then keep in glove box and side door pockets.
- Effectively maintain your car interior temperature to keep your vehicle stay cool. You won't be bothered again for hot air when open the door. At the same time, prevents the dashboard and upholstery from fade and cracks due to sun exposure.
- Dimensions: Adjustable and fits well with most cars, vans, trucks and SUVs. Provide your vehicle with maximum sun protection.
- The 10 reinforced skeletons ensure the durability and the composite peptide coating reflects heat with a UPF 50+ rating. No risk for you to try new style car sunshade.

Please note that due to limitations in photography and the inevitable differences in monitor settings, the colors shown in the photography may not correspond 100% to those in the items themselves
