---

### **We don't just make holsters.**

Our Gear section is built around convenience. We now offer EDC trays, made to hold things that get lost. We also sell beverage holsters that fit 12 or 24oz cans and can be made to utilize a variety of clips to match your preferred carry position.

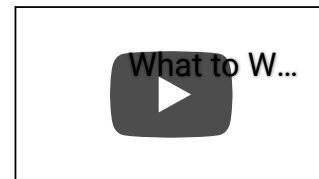

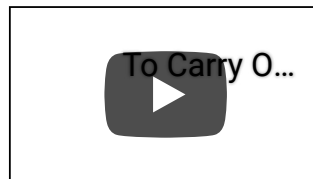

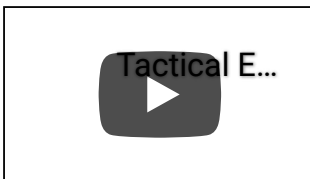

solutions will allow you to arrange your weapons and equipment in a variety of configurations.

Keep up to date with our product releases, giveaways, sales and much more below.
