Details

Hat with lights is a premium compression fleece 2 in 1 beanie hat with lights that provides the perfect hands-free lighting solution for any situation.

Beanie with headlight powers on five LED lights. The USB-rechargeable light has three levels of brightness settings that let you see and be found in the dark, giving you hands-free visibility (and warmth) when camping, dog walking, shoveling, running, fishing, or anytime you need more light.

Perfect for workers outside or workers in low-light conditions, in garages, woodshops, warehouses or for doing detail work where extra light is needed.

Beanie with light 5 LED Built-in 300mAh high capacity and standard USB port for charging the battery, 1.5 hours can be fully charged up to 7 hours of continuous use.

Hat are a comfortable and usable item that easily integrates into most situations. Hat with lights flashlight has multiple uses:

- 1.Keeping a headlamp hat in the car can ensure safety should a breakdown occur at night, and to improve visibility during two-hand tasks like changing a tire.
- 2.Backpacks benefit from the added safety feature of an led stocking cap. To make sure the wearer is seen when walking with the fringe benefit of easy-lit studying.
- 3.Having an beanie w light nearest the door will let the wearer see their surroundings without compromising the use of both hands.
- 4.Toolboxes benefit from the beanie headlamp since repairs need good lighting and as many free hands as possible.
- 5.Around the house, the hat w light offers an easy solution to power outages with safer use than candles and longer shelf-life than most flashlights with halogen bulbs.
- 6.Rechargeable led hats ideal fit as a replacement for the household flashlight, and bedside lamp. Suitable for long studying sessions or getting fully immersed into a good book, lighted beanie Ideal for bedtime readers.
