Brush Is Suitable For Family Cleaning, Coating Pots, Plates And Tableware

Description

Product Introduction:

- ✓ [Protect skin and nails] - The household cleaning brush is equipped with a long handle of wheat straw and a bamboo fiber cleaning ball. It is as soft as a sponge and will not let your hands get wet and dirty. Large brush surfaces help you clean tableware efficiently. It keeps your hands and nails healthy as a whole. The plastic handle provides a comfortable and safe grip. The built-in hanging hole keeps you dry and clean in daily use, and also makes you more flexible in the kitchen.
- ✓ [Durability] - This kitchen cleaning tool is made of high-quality materials. The cleaning ball used for cleaning and scrubbing is made of bamboo fiber. The handle is made of wheat straw material, which is not rusty and durable.
- ✓ [Scratch resistant] - Bamboo fiber cleaning ball, spiral weaving design in the ball. When scrubbing, it will not affect the product surface.
