TotalSync

Using TotalSync online service to access your files

Even if you don't have TotalSync app installed locally, you can still use TotalSync via the website. Here is a summary of what you can do via our online service.

- Browse your files
- See synchronization status your files
- Copy, move and rename your files
- Download your files
- Create "a share link" and send it to someone to let them download one or more of your files
- Unshare files that your previously share via a share link

[Sign in](#) to your TotalSync account or [Sign up](#) now to take advantage of all the features.
