Brand Name:Cloewcl

Easily serve wine: The 5-turn worm opens the bottle in one smooth motion, and the lever arm is easier to use than other corkscrews. The flawless bottle opening technique impresses the guests.

One-piece design: multifunctional wing-shaped bottle opener The built-in bottle opener is specially designed for wine, beer and other bottles with lids or corks, which can meet all your needs.

Ergonomic handle design makes it easier: the ergonomic curve and non-slip grip cover help to breathe comfortably and reduce the downward pressure to pull out the cork. The hard and sharp zinc alloy screws help you quickly screw the corkscrew into the cork.

A useful and precious gift: an extraordinary gift that will never be remembered for a lifetime, especially for weddings and housewarming. Give the wine lovers in your life a gift of worry-free bottle opening experience. Very suitable for aspiring sommeliers

Customer Service: If you have any questions or questions about the Cloewcl bottle opener, please feel free to leave a message to the seller, and we will reply within 24 hours.
