Description Reviews

Designed with a non-foldable handle to prevent the handle from breaking.

Very suitable for families, offices, movies, sports, travel, etc.; essential items for family and friends.

Made of high-quality ABS material, it can be used safely by adults and children. One-button operation, simple operation, press to turn on/off the fan, press repeatedly to adjust the wind speed. The built-in powerful motor provides strong and cool airflow at 3 different speeds, allowing you to choose the right wind speed at will. The perfect partner to keep you cool during hot summers, travel, work or sports.

Built-in high-performance 2500mAh battery, Portable electric fans can be charged by laptop, mobile power, AC adapter and car charger via USB cable. It takes about 4-5 hours to fully charge the fan and can run continuously for 7-20 hours .
