## 2020 RED BLEND

Arizona's unique story of viticulture and diverse geography inspires an industry that combines a respect for tradition with a pioneering spirit of innovation. The result is a perfect blend of the past and the possible—a culmination of four decades of modern effort backed by two centuries of winemaking history. Because we believe in cultivating innovation—a portion of the profits from each bottle of Scholarship Wines supports Arizona students.

As you raise your glass, thank you for joining us in celebrating generations of tradition and achievement, past, present, and future.
