Very nice showerhead

I am very please with this shower head and it was easy to install. I was a bit hesitant to put it on without plumbers tape, but the washers that were supplied in the package worked fine without any. I have had no leaks at all. By the way . . . I'm an 82 year old woman and did it myself. If I can do i [...]

Great product!

Worked really well, got it for my elderly mom when she got sick and was not able to do to much , , added a 2nd dock , she really loves it! I'm going to get more for my other shower heads in my home!

Great, affordable upgrade

This shower head was such an easy and affordable upgrade to our terrible apartment shower head. Highly recommended for anyone who has lousy water pressure and wants to use a shower head that can be hand held.
