ccjm Adhesive bras, Strapless Sticky Invisible Push up Silicone Bra for Backless Dress, Adhesive Bra Strapless Backless Invisible Sticky Bra Reusable Push up Silicone Bra for Women

- Hand Wash Only
- Strong Stickiness: Strapless bra is made of sticky natural silicone adhesive. Unlike other inferior material which would easily slip down and irritate skin, invisible bra sticks on perfectly without causing pain, and leaves no trace or residue on your skin after removing, giving you a maximum comfortable feeling while allowing you to move freely.
- Gathering Effects: The unique front clip design can easily to clasp and unclasp and benefits the gathering of your breasts, beautifying the breast shape and providing you with fuller breasts. The sticky bra will give you charming deep v-shaped cleavage, making you look sexy, elegant and confident.
- Seamless & Invisible: Adhesive push up bra, with a micro-edge design and nude adhesive silicone. When you wear it, you will feel so natural, comfortable, seamless and invisible. No one will notice you wearing this magical strapless bra.
- All Occasions: Highly quality silicone and adhesive provides you comfortable padding and discreet support for your most racy outfits, perfect for evening gowns, prom dress, backless dress, halter blouses, club/party dresses and most low cut tops. No more embarrassing showing bra straps.
- Easy Cleaning & Reusable: It's easy to clean and wash, only need to hand wash the adhesive surface with warm water and mild detergent then air dry. Cover with original plastic protective film after it is completely dry, make sure surface is clear of debris. This strapless bra can be reused many times while maintaining good condition.
