Welcome to the Enterprise

The Enterprise in Rico has been the local watering hole for 129 years and counting. Originally named the Metropole, the Enterprise was later renamed after the most successful silver mine of the 1890's mining boom.

Recently under new ownership, we now strive to preserve the historic character of the 'Prise' while consistently providing a fresh food menu and always serving local, Colorado beer, wine and soda. Check out our [Menu](#) and our [Partners page!](#)
