Description

Back, Neck and Sciatic Rescue™ topical gel contains homeopathic components that may provide temporary relief from minor chronic or occasional back and neck pains and minor back pains that extend down the legs. The water-based Back, Neck and Sciatic Rescue gel absorbs quickly into the skin and is non-greasy and paraben free. The natural herbs in Back, Neck and Sciatic Rescue provide traditional benefits to this unique topical formula.

- Contains homeopathic ingredients for full strength back pain relief
- May help to temporarily relieve back and leg pain
- Back, Neck and Sciatic Rescue may be used for other conditions associated with nerve pain
- Fast-acting topical gel—feel relief quickly and effectively**

Walking or Running for Weight Loss?

By Jana Taylor If you have some weight to lose, you might presume that running will help you shed pounds faster than walking. That has been the conventional wisdom and has also been documented in previous studies. On the other hand, there are other recent studies that show walking is just as good as, if not ...

The Case of the Blue Man

Have you heard of the 'Blue Man'? The 'Blue Man' was a gentleman named Paul

Karason whose skin turned an unnatural shade of blue, presumably because he used colloidal silver. The condition is called argyria. He made quite a splash in the media around 2008 when he appeared on many television shows to be interviewed. ...
