★★★★★ Great tool bag if you love the brand like I do.

iFixit Messenger Bag | New

June 30, 2021

I've been using my ifixit set since I started building and troubleshooting and I do like this bag. The main compartment is a good size and allows me to keep all my extra parts in it while the front compartment makes it easy to store and get to my tools. I do wish there were more pouches inside the m...

### iFixit Messenger Bag | New

October 5, 2020

This is a very nice tool bag, but you will definitely find yourself wishing it were a little larger and had a few more pockets. It does not include the Marlin screwdriver bundle roll (as shown e.g. in the repair business toolkit), so you'll have to purchase it (or something similar) separately in or...
