- Unlike other cheap products - more durable with stronger adhesive,Reliable non-slip silicone point to increase traction for each pad of dog paw.
- Classical and unique design - one super thin layer of purified cotton fit with the dog paws easily and perfectly.So that to prevent the edges from bulging and affecting the adhesion.
- The dog anti-slip pads are disposable and self adhesive.Trim your dog's nails & hair between pads;Keep the dog feet clean and dry (can extend the use cycle of the traction pad);Remove the sticker and stick it on the pad.
- If walking a lot outside and it's wet out, the grip pads usually fall off on their own,wet and soap the paw and it comes off more easily.

Did not work for my dog

Reviewed in the United States on November 19, 2020

Size: XL-2.2*2.0 inch(L*W) Color: Black **Verified Purchase**

I have a ten-year-old lab with one of her front legs amputated and hard floors throughout the house. This makes it very difficult for her to get purchase on the floor to get herself up. I hoped these would give her enough grip to help her, but they rolled right off her paws. I followed all the instructions, cleaning her paws and trimming all excess hair—basically torturing my poor dog because she despises anyone messing with her feet! Then the ones that only came about half off have been difficult to remove the rest of the way. To be fair, she has a weird gait, so maybe they would work with a four legged dog, but I doubt it.

A blessing for older dogs!

Reviewed in the United States on July 15, 2021

Size: XL-2.2*2.0 inch(L*W) Color: Black **Verified Purchase**

I got these for my 15-year-old Lab on the recommendation of a friend, to help him with traction. The Aqumax pads have been a terrific help! They help him walk on bare floors, to get up from the floor, and lend stability to him as he walks. I do have to replace them frequently, especially as we've had a lot of rainy days this spring and summer. But I keep lots of them on hand, and the price is very reasonable. The benefits make the cost inconsequential!! I will definitely recommend Aqumax pads to anyone with an older dog!

FINALLY - something that works

Reviewed in the United States on September 28, 2021

Size: XL-2.2*2.0 inch(L*W) Color: Black **Verified Purchase**

I have tried boots for my senior dog (don't stay on) and sticky spray (worked so-so) but, finally, found something that actually works! These magic little stickers actually stick to my dog's paws, and help her not slip and slide. They do need to be replaced every few days, but it's totally worth it. Nothing has made a difference for my dog like these have.

Quite helpful for senior dogs!

Work well for my senior dog. One drawback is we have to reapply if they get wet. But the paw pads have definitely helped our senior pups stability on non carpeted floors

No slipping and new found freedom!

Reviewed in the United States on April 8, 2021

Size: XL-2.2*2.0 inch(L*W) Color: Black **Verified Purchase**

I love that Autumn is now confident to cruise around a bunch more! Very helpful, she is 13 and has lost most of her vision and has low back and leg issues. No more slipping. Very good, what a happy pup!

Down side, they only last about a week and only if they do not get wet. The good point is you get lots of paw grips in the package.

They work pretty well

Reviewed in the United States on September 4, 2021

Size: XL-2.2*2.0 inch(L*W) Color: Black **Verified Purchase**

These work to help our 141/2 year old lab with traction in our tile floors. She has arthritis and a torn ccl. You do have to trim the hair on the bottom of their feet so that the pads will stick. They usually need replacing 1 or 2 times a week.

Good for preventing slippage on tile floor.

Work good for keeping my elderly dog from slipping on tile floor. Dog goes in and out so they last about a week. I clean her pads with alcohol wipes then cut to fit each pad. She tolerates this well. Takes about 30 minutes. No big deal. Worth it to keep her from slipping pathetically on the floor. Will order again.

Great product to help a dog with stability issues.

Reviewed in the United States on May 6, 2021

Size: XL-2.2*2.0 inch(L*W) Color: Black Verified Purchase

Loved this product. Used for my dog that had back surgery from a spinal cord injury. Even though he is able to walk, his back legs are not as stable anymore. These pads help him tremendously and give him stability. Easy to apply, they come off on their own after a couple days and I put a new set on. They have really helped with his walking.
