Eyelash Glue for False Lashes: Line & lash like a pro, a breakthrough quick-drying lash adhesive with a latex free formula that dries invisible. This beginner friendly adhesive makes it easier than ever to apply lashes with its revolutionary felt tip.

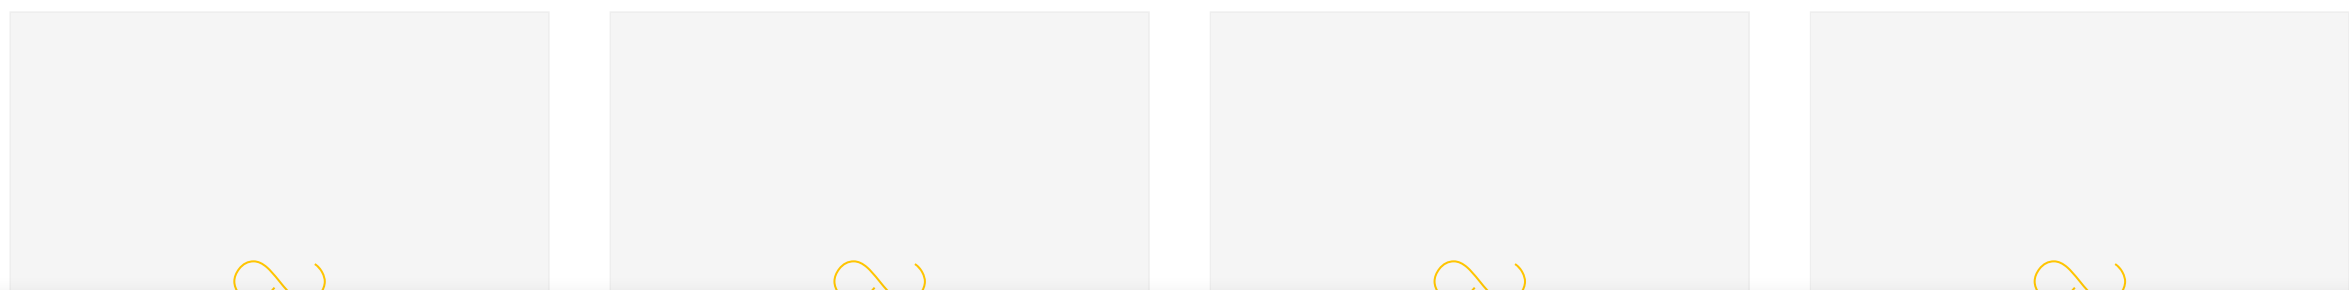

Whether you're a newbie or a pro, this is a must-have for a flawless lash look. Works with any cotton band strip lash. No Magnets. No Messy Glue. EASY TO APPLY. Small Size:they're easy to carry in a purse or pocket in case of a break, and you can use the whole tube before it dries out. Latex Free, Sulfate Free, Paraben Free. Vegan & Cruelty Free.

Superior adhesion: It kept your nails in place for about 14-30 days, even coping with lifting, typing Swimming, showering and cleaning dishes, with no worries of your nails falling off!

Multiple applications: Teenitor nail glue is the glue to use for acrylic art nails, dimonties, glitter, rhinestones, jewels, and gems nail sets. Also great for repairing kid's toys, sealing up a cut or hair extensions for braiding
