AUTOPARTS SUN-BLINDS ADAPTED FOR AUTOMOBILES CAR UNIVERSAL WINDOW SCREEN 2 PACK SUNSHADE FOR CAR WINDOWS SUN, GLARE AND UV RAYS PROTECTION FOR YOUR CHILD, REAR SIDE CAR WINDOW COVER FIT FOR MOST TRUCK SUVS

- Please actually measure the size of your car window when shopping. High-stretch fabric is suitable for more than 90% of cars, such as cars, MPVs, hatchbacks, and small SUVs.
- [Easy to install and disassemble]: The flexible and elastic mesh can be installed in a few seconds by sliding over the open door, and then covering the inside and outside of the door. This sun visor is also convenient for you to fold into the glove box when not in use. It is best to remove the car hood when not in use, especially when it is raining.
- [Safe and comfortable driving]: Our car cover can be freely retractable, we can easily see the rearview mirror, and will not hinder the lifting of the windows. You can buy 2 sets to cover all windows. These curtains provide you with privacy, so you can read, sleep, or even take a nap without anyone staring at us, so they are very suitable for camping, and they work very well.
- [Protect your child from the sun and high temperature]: Autoparts side window shades are made of high-quality breathable elastic spandex mesh fabric. Protect your babies and pets from ultraviolet rays and sun glare. There is no sunburn, and you can rest in the car without mosquitoes. Used for the rear window, not for the front window.
- [Window glass material] The material is very good and very flexible. This is different from most traditional car window screens. If you have any questions, please contact us directly, we will provide 100% satisfactory after-sales service.

PRODUCT DESCRIPTION

Want to open the window and worry about being exposed to the sun?

-Want to open the car window to breathe fresh air and worry about mosquitoes coming in?

-Want to open the window to rest and worry about privacy?

Autoparts car window sunshade 100% covers the side windows, providing you and your family with the greatest degree of sun protection.

Due to manual measurement, the fabric is elastic and the size is slightly deviated. Thank you for your understanding!

Universal Fit for Most Cars

Our Car Window Shade have updated the size and material. With the updated size and better elasticity material, this window sun shade fit most of cars.

Maximum UV and Protection from Bugs

The car window sun shade mesh is install on the exterior of the door frame, you can freely raise and roll down the windows. It will create a privacy and safety room for the back seat passengers with this breathable and elastic mesh fabric.
