Support your lifestyle

An innovative lens that provides comfort for both indoor and outdoor activities.

Healthy eye care

The hygienic choice with Hyaluronic Acid for maximum moisture & all-day hydration.

UV protection

Help protect against transmittion of harmful UV-A and UV-B rays.

Reduce digital eye strain

Reduce irritation and redness caused by dry eyes and extended screen time.

The science behind Vista Plus

We are obsessed with eye health. Therefore, our contact lenses have been formulated to the highest quality and health standards. By partnering with an internationally, FDA-approved manufacturer, spending years on research, and using only in-house top-notch developed materials, we are proud to deliver you (and your eyes) the quality you deserve.

My eyes feel great

These contacts are fantastic! They stay moist all day, so my eyes don't get dry like with other brands I've used.

Noa R.

Best contacts ever!

I've used a lot of different contact lens brands over the years. These are by far the best I've ever had.

Raphael B.

Super comfortable lenses

My favorite thing about the Vista plus contacts is that I hardly notice I have them on. Sooo comfortable on the eyes.

Anna H.
