Product Introduction:

🐾 **【Almost Indestructible Dog Toys】** These durable dog toys for aggressive chewers are made from Natural Rubber, feature Non-toxic & Eco-friendly, designed for medium / small dogs. No dog toy is truly indestructible, while this one comes very close.

🐾 **【Fun Way To Brush Teeth By Themselves】** Our dog teeth cleaning toys are covered with soft rubber molar protrusions that help dogs to clean teeth while chewing. After adding toothpaste among the dog toothbrush toy, let dogs brush and freshen breath by themselves.

🐾 **【Beef Flavour to Arouse Dogs' Great Interest】** Our big dog toys come with delicious beef flavor, increase more interest and satisfy their natural chewing instincts. Great interactive dog toys to kill their boredom and keep fit. Also perfect for training.

🐾 **【Perfect Dog Birthday Toy】** The Rubber Dog bones for aggressive chewers were designed in bone shape with perfect size make it easy to pick up and hold, helps to reduce anxiety and release their extra energy by chewing and playing.

🐾 **【Chew and Clean Dog Toys】** Bone chew toy can be in full contact with the dog's teeth, which not only can achieve the effect of molar teeth cleaning, but also enhance the muscle development of the dog's jaw. Your love dogs can also play with family or partners to increase interactivity and fun.

🐾 **【Bite Resistant and Easy to Clean】** Benefit from the sturdy TPR material and exquisite craftsmanship, these puppy chew toys teething medium dogs are firm, bite-resistant and durable. The surface is smooth, burr-free, does not hurt the mouth of your dog. It is easy to clean, just needs to be cleaned with washing or soapy water.
