Product description

Size: Reinforced Brown Kraft Gum Tape 1PC

Water-activated tape provides a tamper-evident seal that discourages theft, creates such a strong seal, you only need to use one strip of tape, is applied using a tape dispenser, provides good adhesion, good tensile strength, short term, high temperature resistance and highly conformable, it is a good mobile packaging water activated cowhide tape.

Water-activated tape can be used in dusty, dirty, cold and hot environments and will retain its seal paper gummed packing tape is a good tool for heavy duty and high volume storage, packaging, moving, shipping, and sealing.

Aggressive water activated adhesive becomes part of the box or carton. Best used with a gummed tape dispenser machine.

Cover Protection-The tape offers an extra layer of protection to the package as its reinforced surface prevents scratches and abrasions, improved confidentiality. Works well on Recycle Cartons and Non-Unitized Loads; Durable and Lightweight, 2.75 inch wide and 115 Ft long. Our water-activated tape is great for heavy duty and high volume shipping and provides a professional, quality look.

Please check the size and pictures carefully before buying. If you have any questions, please contact us, we will be happy to provide you with the best service.

★★★★★ **Horrible! I did not pay attention before buy it.**

Reviewed in the United States on September 28, 2021

Size: 2pcs | **Verified Purchase**

I did not pay attention before buy it and i regret so much! Now i am in the middle of moving and this tape does not cooperate! I put water to activate and did not hold in place. I hated so much! A regular tape will do a much better job. So frustrated! I have to write this review, because moving is already a pain, and have your things fell in the floor because of the tape is not funny!. I had to work double to get my stuff to the other house.
