**Your garden.
Your way.**

Get the garden you've always wanted - beautiful, organic, and sustainable.

[GET STARTED](#)

How It Works

Get started in 3 easy steps.

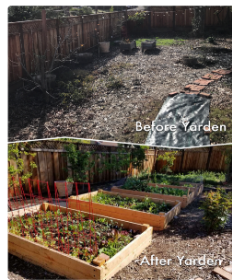

Estimate your garden cost.

How many garden beds? (Dimensions: 4' x 8')

What height?

Total Cost
\$1,100.00

Quote includes cost for all materials, plants, labor, deliveries, and taxes.

Book your FREE appointment.

Meet with one of Yarden's gardeners for an on-site appointment! They will verify you have all the necessary conditions for growing a thriving vegetable garden and help to answer all your questions.

Get your garden installed and start your journey.

Yarden will set up your garden for long-term success. From there, you can enroll in one of Yarden's maintenance plans to keep your garden growing strong all year long.

What You Get

All your favorite vegetables and more

Yarden offers a large variety of vegetable and herbs combinations for you to choose from - making it easy for you to build a food garden based around your cuisine preferences.

With a garden maintenance plan, you are in control.

BEGINNER LEVEL

RECOMMENDED

Full Plan

\$299 / month

1st Month FREE! Cancel anytime.

Weekly visits from a gardener covering the full scope of garden maintenance, from weeding to harvesting. It's all the benefits of gardening with none of the work!

Weed Removal

Removal of all weeds, using 100% natural methods - no weed killer! Includes necessary pruning of plants as well. ✓

Harvesting

Once a plant is done growing, Yarden will harvest your produce for you and set a crate of vegetables at your doorstep. ✓

Seasonal Crop Rotation

When the seasons change, Yarden will rotate in new plants for the upcoming season - keeping your garden growing all year long! ✓

Plant Replacement

If one of the plants in your garden dies for any reason, Yarden will replace it with a new plant! ✓
