Description

Product Introduction:

Plastic frame

Polycarbonate lens

Non-Polarized

UV Protection Coating coating

CLASSIC FRAME DESIGN – These stylish flat mirrored sunglasses are designed by the LEIWSAEXI designer team, which is keeping up with the latest fashion trend. The round frames can match with various facial shapes.

UV400 PROTECTION FOR YOUR EYES – LEIWSAEXI's anti-glare lenses can block both UVA and UVB radiation. UV400 rated sunglasses are essential for filtering out glare from sun reflections and protecting eyes from long-term UV damage in the open air.
