Product Introduction:

Tops V neck can let your neck line looks more slender and graceful. Breathable and comfy fabric suits for autumn also wear with a coat outside in the cool days

Flattering Unique floral print pattern make you so special in the crowd. Perfect length to wear with jeans, leggings and capris, and it can be worn outside or as an undershirt with a jacket

【Features】 Blouses & button-down shirts, button down, v neck, short puff sleeve, turn down collar, pleated back, loose fit design, lapel neck, lightweight, comfortable fabric.

【Classic Design】 The v-neck design shows your beautiful neck line, and show your superb necklace, more sexy and charming.

【Occasion】 Nice button up shirts suitable for business, uniform, vacation, school, party, office, work or just casual everyday wear. Pair well with hip skirt and trousers.

【A GIFT】 A button down shirt is one of those rare timeless products that is always appreciated as a gift, which is why it makes the perfect Christmas, Birthday or Mother's Day gift for your mom, wife, daughter, or friend.

【Clothing care】 Machine washable, don't bleach, please put it into a laundry bag while washing in machine, due to the softness of the material.
