About this project

Environmentally friendly paper bags. Compliant with FSC. Fancinpack paper bags are made from recyclable recycled paper. Small paper bags are healthier and more high-end than plastic bags.

It is much cheaper than buying at the local store. Our paper bags with handles have good fit, no peculiar smell, and good weight and products. The bottom looks very strong, and the paper twist handle is very strong.

Unleash your creativity. These paper bags are very good and have finishes. They can be decorated or embellished as needed, and they can also be painted according to different holiday needs. Small gift bags can be customized for any occasion, and can even represent your business by adding your own logo. gift bag. These paper bags are suitable for Valentine's Day gift bags, small shopping bags, gift bags, wedding or party gift bags. It is also suitable for retail bags and merchandise bag performances in local crafts, art festivals and craft markets, especially during holidays.
