### Product Description

This is a set of nail polishing tool, this professional nail polishing tool can meet your essential needs. Lightweight and compact, make it more comfortable to hold. The pedicure set can easily remove calluses and rough skin on the soles of the feet, making the hands and feet skin smoother and more natural.

Tips:

Suitable for wet use and dry use. However, it's recommended to soak your feet warm water for 10-20 minutes to soften the skin, then use the remover to move the callus in the up and down direction.

After scrubbing the callus and dead skin, use the file to smooth your feet for optimal pedicure.

For better results, use some moisturizer or foot cream to keep your feet soft.
