Material: Aluminum, Thermoplastic Rubber, Alloy Steel

Brand: Flngr

**Color: Pink**

- Made from high-strength chrome vanadium steel. Drop forged industrial grade steel for durability, heat treated with nickel-iron alloy plating. Some oil on the the surface to keep the pliers free of rust, it will not effect the function just wipe it clean with a rag or old towel.
- TPR handles for anti-slip and comfort grip. The double leaf spring action reduces hand and wrist fatigue for easy one-handed operation.
- The serrated jaws will provide the maximum gripping strength for the users. It can be used for cutting and bending soft wires such as iron wire, aluminum wire, alloy wire, cable tie and guitar string, jewelry making, arts and crafts, mechanical work, and other hobby work.

Please note that due to limitations in photography and the inevitable differences in monitor settings, the colors shown in the photography may not correspond 100% to those in the items themselves.

**PROMPT AND CARING CUSTOMER SERVICE**

Highly value customers' satisfaction and tolerate zero quality issue. If you're not thrilled with its performance, please let us know.
