professional look.
Additionally, the pockets
can fit many different types
of table legs.

- **【Occasions】** Our table cover can be used on the dessert table, display table, buffet table, DJ table and etc. It works better than traditional tablecloths. ★★★★★ Works for taller 4ft tables!

Reviewed in the United States on October 9, 2019

Color: Fuchsia | Size: (2 Piece) 4 ft | Verified Purchase

I do a lot of vendor events and decided to switch my 6 ft tables for the adjustable 4 ft tables that sit higher so that it would be easier for customers to see my products. I searched everywhere for fitted tablecloths, but every single one said they would fit the normal height and I could NOT find anything that said it would fit a higher table. One of the reviewers for these mentioned it in passing so I ordered them & crossed my fingers. I am SO very glad I did! These are perfect! The corners go over the feet and these stretch easily to accommodate the higher 4ft tables. I have used them at several events already & no tearing, no fading, no loose threads, no torn corners. And they are beautiful too! Our tables look so gorgeous & professional that we have been asked if we are a distributor for our brand lol And you can't beat the price! I purchased the 2 pack and will not hesitate to order again when the need arises!

★★★★★ **Quality Fabric, Setup Time**

Reviewed in the United States on July 25, 2021

Color: Fuchsia | Size: (2 Piece) 6 ft | **Verified Purchase**

Quality fabric, bold color, will definitely use again. Advice: If by yourself, Add 2-3 minutes per table to your setup time. Adding to table legs may take up time. Guests loved them.
