BPI SUN-BLINDS ADAPTED FOR AUTOMOBILES BRELLA SHIELD, CAR WINDSHIELD SUN SHADE

- **Windshield Shade:** The fast and easy way to help keep your car cool and comfortable in the hot sun, the BPI works just like an umbrella, simply pop it open and expand to easily fit against your car's windshield
- **Easy to Store and Install:** Simply click the locking latch and pop BPI shut into its compact size to easily store it in the glove box, door panel or under the seat without taking up extra space
- **Works on Most Vehicles:** The BPI collapses to less than 1 square foot, and its universal size fits the windshield of most trucks, cars and SUVs
- **Protect Your Car's Interior:** The BPI reflects intense heat and harmful UV rays from the sun to help keep your car cooler and provide protection from fading and cracking upholstery and dashboards
- **Privacy and Safety:** Provide shade from your car, truck, SUV or RV while keeping your vehicle at a safe temperature by blocking the sun's rays and creating privacy with the easy to use, easy to store BPI

PRODUCT DESCRIPTION

BPI Sun-blinds adapted for automobiles is the fast and easy way to help keep your car cool and comfortable in the hot blazing sun. It works just like an umbrella, simply pop open BPI to expand, and it easily fits against your car's windshield. When you return to your car, simply click the locking latch and pop BrellaShield shut into its easy to store, compact size. Easily store BrellaShield in the glove box, door panel or under the seat without taking up extra space, it collapses to less than 1 square foot. Best of all, BrellaShield's universal size fits the windshield of most trucks, cars, SUV's and more. The secret, BrellaShield reflects intense heat and harmful UV rays from the sun to help keep your car cooler. BrellaShield also helps keep your car's interior looking new and was designed to provide sun blocking protection from fading and cracking.
