backpack \$25.99 \$39.59

Description Reviews (1)

- Cargo Backpack: This highly mobile backpack features the ultimate laptop and tablet protection plus a place for all your files in an intelligent, lightweight design. Fits most 15.6" laptops
- Durable Construction: Made with ballistic nylon outer fabric that resists wear, moisture, dirt and abrasion. Includes an array of pockets, elastic pen loops, slips for headphones, airpods, USB cables and an anti RFID pocket for microchipped assets
- Lifetime Guarantee: We're the only luggage company that offers an unconditional lifetime guarantee. If your bag is ever broken or damaged, we'll repair it free of charge, no proof of purchase needed, no questions asked
- Explore Our Collection: We make a wide array of durable luggage including carry ons, duffels, rolling garment bags and hardside spinners, plus backpacks, briefcases, crossbody sling bags and much more
- Engineered for Reality: We craft luggage for real world needs to make travel easier, with innovative handles, pockets, wheels and expansion systems for high functionality and more storage
