Description

Product Introduction:

- ✨ NO chemicals! No nail polish smell! No worries on topcoat that would chip, flake, or rub off. This manicure tool creates 300% shiner than bare nails revitalizing your fingernails & toenails with natural glow that lasts up to 14 days.
- ✨ Powered by rechargeable batteries, this electronic nail care set gently files nails into desired shape, buffs away ridges, spots, discoloration & smooths nail surface, polishes nails to restore luster in minutes. A perfect gift for mothers or grandmas.
- ✨ Multi-Functions Drill Manicure Machine: This electric manicure set including 5 replaceable heads, each nail drill bit has different functions to remove excess cuticles, grinding, shape buff and shine nails, which could satisfy your different needs and making the nails more beautiful.
- ✨ Effective & Portable Nail Tools: The electric nail file could be worked on both artificial nails and natural nails, Keep toe and fingernails shiny and natural looking in effortless way.
- ✨ Low Noise Nail Drill: Lightweight metal bits and excellent sanding bands make low noise and slight vibration for smooth and long-time operation.
- ✨ Light & Convenient to Carry: This electric nail drill is easy storage, compact and lightweight design, easy to carry for travel holiday. It is also a professional nail accessory for salon and home use. The fingernail buffer set are suitable as a Thanksgiving/Christmas gift.
