PRODUCT DESCRIPTION

UTOBSPORT multi-purpose lounge quickly converts, social, and even exercise in the swimming pool. The lounge offers comfortable cool woven fabrics that can be easily folded. Easily inflate and deflate with Duo Lock inflation system. UTOBSPORT Inflatable Buoy System This season is a good supplement to the summer pool, providing fun so that you can socialize, relax or even exercise. Ideal for free sports water (aerobics). Supported mesh lining lets you relax on the water. Weight capacity is 250 pounds. WARNING: This is not an apparatus for saving life. Do not pay attention to the child when using the device. Only under supervision of the supervision. Good safety measures should always be followed. Do not inflate or use high pressure air to inflate. Committed to customer satisfaction: limited warranty - your satisfaction is our ultimate goal. That's why all water casual products carry our performance warranty. If it is often used in high chlorine-salt-bromine-treated pool water or sea water, the fabric color may fade. More importantly, the level of chlorine, salt and bromine in the commercial pool is higher than the average home residential pool. Product color and graphics may be different from the picture.
