**Jigsaw:** Wooden animal jigsaw is made of solid wood and finely cut by machining. Each piece has its own unique art and craftsmanship, with bright colors, making the puzzle look very beautiful after completion.

**Parent-child game:** This whale puzzle is very suitable for playing together, increasing communication and enhancing relationships, making the time of the puzzle more meaningful and interesting.

**Wide range of applications:** The wooden whale puzzle is super cute, so you can hang it in the living room as an elegant decoration or frame it as a mural. Watching such amazing images may help relieve stress after a long day of work.

**Interesting and educational:** Playing puzzles can exercise children's logical skills, allowing them to think and try various possible methods to complete. You can also improve your hand-eye coordination, observation ability, patience, concentration, and enjoy the joy of success.

**What do you get:** a wooden puzzle with interesting pieces and a colorful image of the puzzle on the front. Don't hesitate, buy one now and have fun.
