►► 100% satisfied customer service: please measure your waist circumference and read our size chart, if you have any ideas, please contact us first, we will meet your requirements, exchange/return goods, to your satisfaction. Hook and loop closure ►► Made of a comfortable, adjustable and elastic fabric, flexible and durable, 100% latex-free neoprene, the best elastic and comfortable fabric, which means it is easy to clean, fits your body, and will not tilt or irritate Your skin. Double adjustment hook and loop for precise measurement of mesh backing to improve breathability. Very suitable for postpartum abdomen and abdomen ►► Slimming belt: Our trimming belt is made of neoprene and polyester, which helps the waist trimming belt to be added more flexibly for the wearer. Weight loss belts do not sting or sting like other belts. Most people will be looking to burn fat and calories. The whole point of this waist trimmer is to wear a belt during exercise, by basically making you sweat, it helps to burn more belly fat like a sauna around your belly ►► Abdominal belt design: wide enough to cover the abdominal area and keep it still during exercise; thick enough to generate heat and burn fat. The hook and loop are closed to ensure that the waist belt is tightly secured around the abdominal muscles. Our belly trimmer comes with a large number of hooks and loops, so that many people of different sizes can easily wear this trim strap. Spandex straps provide more tightening capabilities for this trainer ►► Our best waist trimming belt is very elastic in the correct position and provides a lot of support for your sides and back. Provides immediate abdominal compression and lumbar support. The slim waist belt will not penetrate into your skin and lay flat all the way. If you have lower back problems, our waist trainers, such as compression bands around the waist, can provide lumbar support, help relieve pain and improve posture ►► Functional corset shapewear: Our waist trimming belt can also smooth and caress your postpartum abdomen, helping you look slimmer. No more love to cover muffins on your shorts. Very suitable for post-pregnancy, post-partum recovery or post-partum abdominal compression and support surgery, cesarean section, weight loss, abdominal strain and weakness, abdominal training device. Bone stripes on the waist help keep the back in the correct position
