How to Wash Your Doll's Hair

1. To keep your doll's clothes from getting wet, either remove them or cover clothes with a towel.
2. Wet your doll's hair completely with water.
3. Lather in a little shampoo or dish soap to wash out any product or residue.
4. Optional: To soften hair even more, add a bit of conditioner, work in with fingers or comb through hair, then rinse out.
5. Let hair air dry completely.
6. Hair is ready to brush & style.
