

MEN'S VOWS

Luke Cebula - Sales & Partnerships Manager

Luke joined Men's Vows in the beginning of 2020 to manage our sales and partnerships, specifically with the [Men's Vows Directory](#). He wanted to join the Men's Vows team because it represents a community that is personal to him and an ideal that Luke strives for, because the stories Men's Vows publishes are a true inspiration. Working with this team is not only rewarding for Luke, but also has created a Men's Vows family that is hard not to love and appreciate. One love story he appreciates most is that of [Ben & Josh](#), who got married in Luke's native Southern California.

In addition to Men's Vows, Luke's background is in fashion design, where he works at Tommy Hilfiger as an executive assistant in New York City.

Richard Dusseau - Founding Partner & Publisher

Richard Dusseau is a founding partner and publisher of Men's Vows. He discovered that men planning their weddings needed a resource, while he was planning his own wedding. Richard has been with his husband, Steven since 2000, but they were officially married in Santa Fe, New Mexico in November of 2014.

Richard also serves as the president of the Dusseau Group, an international consultancy focused on hospitality, spa and wellness investments. Richard serves on the advisory board for the University of Denver, Fritz Knoebel School of Hospitality Management, and was a founding board member of the Global Wellness Summit.

Given his love of travel, it is no surprise that [Will & Mason's South African wedding](#) is among Richard's favorite stories Men's Vows has told.

Sam Ervin - Marketing & Sales Enablement

You can hear Sam as the host of the Men's Vows podcast *Do You Take This Man?* He's also dabbled in writing, authoring the stories of [Matthew & Michael](#) and [Bryce & Richard](#).

Sam contributed to the development of the first groom-focused wedding directory with Men's Vows.

He's a veteran of the United States Navy and is a passionate CrossFitter in his free time. Sam enjoys being a part of Men's Vows because he believes in the power of storytelling to help our communities evolve. Find Sam on Instagram @sjervin.
