## Description **Reviews**

It is made of high-quality stainless steel and refractory materials, so there are no burn marks.

When you lift the lid,Ashtray LED light up which is beautiful and practical especially when you have bad vision,it will help you to use the ashtray more easier and convenient.

This car cigarette ashtray is especially design for car, it can keep the ash in your car ashtray, prevent ash flying and keep clean in your car. It's easy to carry and fits most of the car's cup holder.

Removable design, the interior is made of ceramic, easy to clean, good sealing performance, and smoke is not easy to diffuse.

It's portable and lightweight, Very suitable for use in cars.
