★★★★☆ **Not high quality, the price is right for what is is.**

Reviewed in the United States on August 27, 2018

This is not a high quality skirt but given the price it is a good value. The gathering is not consistent and smooth, the fabric is bunched up where it is sewn at the waistband in places. If one is going to wear a top tucked in, it won't look so great. Wearing an over blouse will hide this flaw for me. It is a very full flowing skirt and will work nicely for smooth ballroom dance routines. This is a good costume piece but not of ball gown quality; you will have to pay a lot more for that. There are no laundering instructions with it. I have worn it and don't know what to do to clean it. The attached photo is an action shot so a bit blurred but it's an attempt to show the bunching which I wore to the back from the bad attachment of skirt to waist band. It also shows the sheen. I am about 5'4" and the skirt looks short because I pulled the waistband up above my waist to get the desired length.

★★★★★ **If the price is right. Buy it!**

I spent forever looking for a skirt for my Esmerelda cosplay until I stumbled onto this one. It flows beautifully! I'm roughly an 18 in jeans and this stretched over my big butt, so big girls don't worry. The one thing I noticed was depending on the lighting, the skirt tends to look more royal purple with a flash, but still close to the color in the stock photo with other lighting. The kids loved it where I work so, all in all would definitely recommend this!

★★★★★ **Value for money**

For reference, I am 5 foot, 100 pounds, 26" waist and 34" hip. Excellent skirt for price. The elastic is very stretchy. Soft and comfortable. The hem is a bit uneven, but easy to style around so it's not as noticeable. Very wrinkled, but hopefully that will improve as it hangs and is washed. Beautiful vibrant color and matched perfectly with my corset. I definitely plan on buying several more colors for myself, and both my teen daughters want some for their collection as well. All in all, impressed

★★★☆☆ **Fluorescent green, not light green and low quality fabric, but well made**

Reviewed in the United States on May 4, 2019

[Verified Purchase](#)

Was bummed that I had to return this item because the skirt was really sewn well--the hemline was straight as an arrow! Sadly, the color of the light green skirt I ordered was actually an in-your-face fluorescent green, and most importantly, the fabric is a very low quality material. It wasn't soft and drapery like other satin skirts I've purchased online; more like the shiny ribbon material used in floral arrangements.

★★★★★ **Excellent, beautiful product.**

Reviewed in the United States on September 29, 2016

Color: Red | [Verified Purchase](#)

I am 5'4" tall and this skirt is too long for me. This is not a problem as I can just turn the waistband under a couple times or I could have it hemmed up. The length would probably work well on someone up to 5'7". Otherwise, this is a beautiful product. I ordered red and the photo shows a kind of orange color. I know sometimes the photos do not match the product. I was VERY pleased with the color I got. It is brilliant red...exactly what I was hoping for. The material is also thicker and sturdier than I was expecting. I am delighted with this skirt. I may purchase more in different colors.

Got this as part of my Halloween costume. Fits really well, very comfortable. A little darker purple than pictured, but that was ok with me.

Getting this in the mail couldn't have made me more excited! The moment I opened it, I fell in love with it! It fits me perfectly around the waist, and flows just the way I wanted it to for my costume! It's got plenty of room for modifications and a petty-coat underneath to give it more poof! It's lightweight, and won't make me sweat for upcoming cons! I'm super excited to wear it!

La gonna di per sè è bella e conforme alla descrizione per quanto riguarda la misura. Purtroppo, però, ho dovuto restituirla: il color oro è più un bronzo/marrone e a me serviva dorata. Peccato!

The length is very short. Im 5'5" and it only comes to my ankle when worn low on the waist. Quality isn't worth the price either. Does not look like the picture
