- Sizing notes:**
- Please note that the listed measurements were done by hand. Please allow for small variations.
 - For the best fit, do not guess your size or select based on your regional shoe size.
 - Please refer to the chart below to make a decision about the correct size based on your foot length and girth.
 - If your foot is wide, you may want to choose 1 or 2 sizes larger than the listed size.

You may need to adjust size accordingly if your foot is wide, narrow or high instep

Insole length is usually 0-1.5cm longer than foot length, and -2cm longer for the thin or pointed shoes
