FORTRESS® CLADDING & RAINSCREEN TECHNOLOGY

THE INFINITY® ADVANTAGE

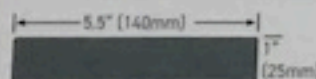

- **Enhanced Wood Grain Texture** - Warmth & aesthetic of wood with the strength & durability of composite
- **Long Lasting** - Naturally resists scratching, staining or damage from moisture or insects
- **Simple Care** - Low maintenance with no harsh chemicals required
- **Sustainably Made** - Eco-friendly using FSC bamboo
- **Versatile Design** - Installs horizontally, vertically, diagonally, in curved applications or even as decking!
- **Easy Installation** - Standard tools, methods and labor
