## About this item

- **【EFFICIENT & EVENLY HEATING】** : hair straightener with revolutionary MCH heating technology can heat up to 450°F in 10s. These flat iron plates have upgraded

titanium coating that can conduct heat evenly, avoiding partly overheating and preventing hair damages & frizzy.

- **【FOR ALL HAIR TYPE & STYLING】** : The LED screen of hair curling & straightening iron shows different temperature settings, covering 140-450°F suit for all hair types. Perfect to have a professional hair salon result at home, achieving more fantastic hairstyles.
- **【PATENTED AUTO ON&OFF】** : with patented gravity sensor technology will be shut off after 5 minutes of non-movement and turned back on when you sway it again. Automatic sleep mode can keep you safe from accident burnt.
- **【PROTECT YOUR HAIR】** : The advanced and flexible 3D floating plates of straightener makes styling smoother, avoiding tugging and reducing 70% hair breaking. These iron plates can also auto-detect the temperature and calibrate 30 times per second to avoid damage to the hair caused by high temperatures.
- **【FRIENDLY USER DESIGN】** with an anti-scald design can easily adjust the angle to perfect your hairstyling. Plus, the temperature memory feature allows you to heat up automatically to the suitable temperature you used last time.

Please note that due to limitations in photography and the inevitable differences in monitor settings, the colors shown in the photography may not correspond 100% to those in the items themselves
