Great Christmas gifts!!

Reviewed in the United States on December 13, 2021

I love this beautiful and excellent gift! This is such a bright and amazing gift I wanted one for my room. It feels super soft and the material is able to be handled by kids without it warping. For the price they are a great buy and a unique gift. I give it a 10/10.

What a great purchase!

Reviewed in the United States on December 24, 2021

Verified Purchase

I absolutely enjoy this cute portable night light. It's a perfect gift for kids or adults. Durable, colorful, and good quality. There are 3 functions to choose from: on, off, and auto. When switching to auto, light colors change randomly. It's a good size too, easy to carry, suitable for kids' palms. Another fantastic look is that you can hang it on the wall or any Christmas trees. What a smart design! No battery is needed. Recommended and will buy again!
