Quick Details

Brand Name: GIAOQ

Application: Residential

Color Temperature(CCT): Warm White

Light Source: LED

Wattage: 7 watts

Switch Mode: Manual Button

ENERGY SAVING: The GIAOQ Light bulb uses less power compared to traditional bulbs and, therefore, cuts your electricity costs.

LONG LIFE: The GIAOQ light bulb is made of plastic mask according to the LED chip unique cooling requirements thus ensuring long life.

IMPROVED SECURITY: The GIAOQ light bulb will light up your home even when you are not around as long as it is dark.

WIDE-RANGING USE: Used in countless home appliances, the GIAOQ light bulb works well in any standard E26 medium base light socket or fixture: hallway, stairs, basement, garage etc.
