About this item

- [Wrist Brace Expert] The MOST scientific material ratio: 31% nylon & 69% neoprene, makes the brace more stretchable and Compressible, which relieve wrist & thumb pain efficiently. Take the pain away and enjoy your life now
- [Breathable Air Mesh] The breathable Air-mesh channels of the brace provide comfort for all-day wear even the toughest work. The stabilizer is made of 3D microfiber material, which is lightweight and perfect for sport injuries and tunnel syndrome
- [Fit Wrist Perfectly] Achive by the particular Pulley System design,this brace fits your wrists perfectly, convent for single hand to wear, and adjust to your wrist within one second. You will feel less restrains while working or playing golf.
- [Adjustable Stability] A+ PVC Velcro provide strong stability far beyond your expectations, which has been tested 5000+ times. It's made of PVC material that usually used for baby clothes, will not scratch your skin
