DESCRIPTION

Impact Mastery is a year-long business and mindset coaching retainer for our Scaling School graduates who have demonstrated their commitment to scaling their business and engaging in the curriculum to their fullest potential. In Mastery, we dive deeper into the strategies they developed during Impact Scaling School to scale their business fast! Our team of coaches provides year-round support to our clients, coaching them through major strategic decisions, providing advice on executing those strategies, and working 1:1 with the entrepreneurs to develop the right mindset to feel confident while managing a growing business.

PACKAGE

- Business coaching from our team of MBA coaches
- 2-hour weekly group Q&A call with our full team of scaling experts
- 2 hours/month of 1:1 mindset coaching with our specialized Mindset Coach
- Daily access to our business coaches through our homework platform, Basecamp
- 1:1 Strategy Coaching calls as needed
- Quarterly retreats designed to re-focus your business strategy and gain a deeper understanding of specialized topics relevant to your business
- Access to a private community of entrepreneurs for group learning and support
- Access to our growing library of curriculum, including intensive courses on Sales, Finance, Strategic Planning, and Operations with new curriculum added on a regular basis
