★★★★☆ **13 came broken**

Reviewed in the United States on April 19, 2021

Verified Purchase

7 red, 4 purple, 1 blue, and 1 black were broken in the box. The rest are somewhat chipped and scratched. I bought these as spell candles. Only 87 are usable, and only 3 red. Somewhat disappointed.

Regarding the colors, they are Black, Red, Orange, Pink, Purple, Dark Blue, Light Green, Yellow, Ivory, and White. Ivory and white in picture 3.

The packaging is all cardboard except for a small piece of tape.

This product is everything it says it is. The candles are five inches long. They burn all the way up, no melting wax. They are two hour burners.

★★★★★ **I will be ordering again**

Reviewed in the United States on August 12, 2021

I was skeptical about ordering this particular item because of the previous reviews saying that most of their candle came broken but all of my candles arrived safely and they burn just fine. I will be ordering a new box after this one.

Good quality for the money. You do see them in stores however they're more expensive. They don't have a scent to them. The wick sometimes goes out you have to keep relighting it

★★★★★ **Great for one spell at a time**

Reviewed in the United States on December 22, 2021

These candles are great for completing one prayer/spell at a time. The candle was a little smaller than I anticipated but it's a great price for the quality and quantity.
