Got the 12 small candle holders for tapers and they will work out great for a candelcape I am creating for a wedding next weekend. They will work out really well and glad I could find them soon enough to use. Amazon was right here with them and another item right away,y which I really appreciated!

Lesley

they are quite little

Reviewed in the United Kingdom on November 15, 2021

Color: Set of 6 **Verified Purchase**

I don't really know what I expected with these candle holders. I thought they would be bigger, but they stand about 5.5cm high. I have also yet to find a candle that fits snugly into the hole. I have fixed my taper candles into the hole using blue tack. They do look nice, but I wish that I had seen somewhere that they were so tiny. Well packed, came quickly, and apart from not finding a candle to fit snuggle I am fairly happy with them. It was probably stated somewhere in the advert, but I didn't see it.
