Description

Reviews (1)

- **【High Quality Material】** :Our water hammock uses thick and durable high-quality raft-grade PVC material with a soft matte appearance. The material is durable, anti-pollution, environmentally friendly. The head rest and footrest provide plenty of support and an abundance of comfort.
- **【Summer Best Choice】** :In the hot summer, water hammock floating bed is the best gifts for playing water with partner, family and friends. Bring your family and friends and lying or sitting, chatting and sleeping together! Unique Design Water Hammock, this Single Person Capacity Pool Floats ergonomic design provides plenty of support and an abundance of comfort.You could put your floating bed on the water, bask in the sunshine, enjoy and relax.
- **【Multifunctional】** :The 4-in-1 design can be converted into a hammock, lounge chair, Drifter, and exercise saddle . Therefore, you can change your posture on the water hammock as needed. The floating hammock is ideal for a series of recreational and leisure activities such as chatting resting reading in the water.Note: After use, do not soak the float in the water for a long time. The float should be wiped dry and put in the storage bag so that the product can be used longer.
- **【Easy to Carry and Easy to Store】** :Pool Floats and Loungers inflatable hammock system measuring,Product expand size 51' x 27' (130 cm x 68 cm) , Product inflation size 45' x 27' (115 cm x 68 cm),Single product weigh 240g.Durable,

waterproof, easy to clean, tear-resistant, lightweight and easy to travel. NOTE:Recommended age: 16 years old and above, maximum load: 220 lbs, children need to be used under the supervision of an adult.

- **【Quality Service】** :If you have any question regarding the products, please contact us or let us know how we may assist you to resolve the issue you have experienced.Included: Water hammock Blue White*1,Water hammock Green White*1, Inflater hand air pump*1.
