- MORE PIECES Ramp up the fun and teamwork! Our kits with building toys for girls & boys contain enough balls,
 wheels, and connectors to go around.
- FUN LEARNING TOYS Foster your child's education with the toy building sets that help boost skills in creative thinking, reasoning, and more.
- BOOK OF IDEAS The kids building toys also come with 42 designs for beginner, intermediate, and advanced builders for hours of educational fun.
- SAFE TO USE These non-toxic, colorful engineering toys are easy to wash and certified Phthalate, Lead, Cadmium, and BPA-free.
- GIFT IDEA The perfect addition to any Christmas gifts for kids, our toys for 5+ year old boys and girls will encourage children to build their problem-solving abilities
